

Club Times and Dates

We meet weekly on Wednesday nights from 6:35-7:45 during September through May.

An Awana calendar is available for you to refer to for special theme night events as well as dates that we will not meet due to holidays.

Awana Bucks

Cubbies receive “Awana Bucks” for participating in special events, following directions, and helping others.

The bucks are distributed to the cubbies by their leader at their discretion.

The children may use their bucks to purchase items in our Awana store on club nights.

We hope you will join us for Awana! What could be better for your child than learning the gospel and retaining Bible verses that will stay with them for life!

What is Cubbies?

- Cubbies is designed for children ages 3-4.
- Each night children are taught a Bible story, play games, interact with Cubbie bear puppet and friends, sing, and do an activity.
- Children are taught at a young age to respect God, His Son, and His word.
- Along with learning how to respect God they will also learn about God's love for them.
- Cubbies encourages parental involvement at home. As you go through your child's book with them there are activities that will require your help and guidance as well as reading and reciting the verses with your child.
- Although most children cannot read at this age, they are able to memorize verses that are repeated to them over time.

Weekly Awards

As your child progresses through their book they will receive emblems that will be attached to their vest.

Each emblem represents

the completion of a unit in their book.

Award Ceremony

In May, we hold our Awana celebration that parents are encouraged to attend. During this ceremony the children recite verses, sing songs, and receive their achievement award for the year. This is a special time for families to see what their child has learned and how far they have progressed throughout the year.

Theme Night

Cubbies participate with other club members on our special themed nights such as crazy hair night, pj night, tacky night, and favorite sports team night.

Everyone is encouraged to participate and the winner receives a prize.

Awana Annual Fee

The cost for the Awana year is \$30 per child. This includes books, vest or shirt, and awards that are given out throughout the year. If cost is a concern, please see Mallory Hocutt for more information.

You will find the registration cards at the KidCheck table. Once completed, bring your card and payment to Mallory Hocutt.
