

## Club Times and Dates

We meet weekly on Wednesday nights from 6:35-7:45 during September through May.

An Awana calendar is available for you to refer to for special theme night events as well as dates that we will not meet due to holidays.

## Awana Bucks

Sparks receive “Awana Bucks” for participating in special events, following directions, and helping others.

The bucks are distributed to the Sparks by their leader at their discretion.

The children may use their bucks to purchase items in our Awana store on club nights.

We hope you will join us for Awana! What could be better for your child than learning the gospel and retaining Bible verses that will stay with them for life!

## What is Sparks?

- Sparks is for children in Kindergarten—2nd grade.
- Each night children are taught a Bible lesson during small group time, sing songs during large group time, play fun team building games, and have one on one time reviewing and reciting verses with their handbook coaches.
- Children will learn about different people and events in the Bible.
- Parental involvement is encouraged to help your child learn their verses each week as well as complete activities throughout their book.
- Over the course of the 3 years, Sparks will go at their own pace to try to complete a book a year.

## Weekly Awards

As your child progresses through their book they will receive emblems, wings, and jewels that will be attached to their vest. Each represents a section of completion of their book.

## Award Ceremony

In May, we hold our Awana celebration that parents are encouraged to attend. During this ceremony the children recite verses, sing songs, and receive their achievement award for the year. This is a special time for families to see what their child has learned and how far they have progressed throughout the year.

## Theme Night

Sparks participate with other club members on our special themed nights such as crazy hair night, pj night, tacky night, and favorite sports team night.

Everyone is encouraged to participate and the winner receives a prize.

## Awana Annual Fee

The cost for the Awana year is \$30 per child. This includes books, vest or shirt, and awards that are given out throughout the year. If cost is a concern, please see Mallory Hocutt for more information.

You will find the registration cards at the KidCheck table. Once completed bring your card and payment to Mallory Hocutt.
